IIT Jammu presents

TECHNUNCTUS '21

The IIT Jammu Tech-Fest

भारतीय प्रौद्योगिकी
संस्थान जम्मू
INDIAN INSTITUTE OF
TECHNOLOGY JAMMU

Dear Potential sponsors,

Greeting on behalf of the Indian Institute of Technology Jammu. We are proud to announce that we would be hosting ‘TECHNUNCTUS ’21- the third edition of our technical festival at the Indian Institute of Technology, Jammu on the 17 and 18th of April 2021. Ever since its conception in the year 2016, IIT Jammu has spearheaded technological advancement, education, and research. With the concept of bringing the geniuses among the students on one single platform, we hosted TECHNUNCTUS’19, the maiden edition of IIT Jammu’s technical fest which proved to be a huge success. Continuing with the legacy, we will be organizing the third edition of our very own technical festival, which will see students of various Institutes gathering together to showcase their skills, innovation and ideas. It will see students rack their brains to find creative and innovative solutions to existing problems in the industry as well as day to day life. Technunctus’21 has already started to create a buzz as the anticipation continues to grow.

A team of highly dedicated and enthusiastic students, have been working towards organizing Technunctus, which is going to be one of the largest and most eagerly awaited inter-collegiate festival in the state of Jammu and Kashmir. The foundation for the various string of events, student activities and workshops to be held, have already been laid. We aspire to build a legacy of excellence through assistance and sponsorship of companies and organizations-like you!

It would be a distinct privilege to have your organization as a sponsor for the upcoming festival celebration. The festival will witness a congregation of participants from a diverse population of consumers and will be a valued occasion to bring increased advertisement and revenue to your organization. We encourage you to invest in the event with the expectation to reap countless benefits through this new partnership. Serving as a sponsor is not just about giving, but it is an opportunity for your organization to forge a mature relationship with the IIT Jammu fraternity.

We hope that you will consider sponsoring Technunctus’21 a worthwhile opportunity. To assist you with your decision, we have attached a proposal which includes a brief overview of the fest, events and benefits of sponsorship. If you may have any questions or concerns, please write to us at technunctus@iitjammu.ac.in.

Thanking you in anticipation for your partnership and sponsorship.

ABOUT IIT JAMMU

IIT Jammu, adored by alluring mountains and topography, is where various engineering departments run under the supervision of brilliantly literate faculty and professors, provide education to one of the brightest minds of India and also provides employment to well-informed staffs.

The campus is located at NH44 and is about 15 KM from airport. IIT Jammu is closely connected to IITs and CFTIs for resource sharing and ideation and also connected with various communities around it through all possible media. IIT Jammu has a futuristic, farsighted and ambitious agenda while it is firmly rooted with ground realities as it is looking forward to create leaders with entrepreneurial skills. The institute provide adequate conducive support to sports, nutrition and opportunities for adventures. The institute encourages the spirit of inquiry and train us to be future leaders. The students here are taught to be concerned with social and national issues of importance and always be more creative and innovative. IIT Jammu is walking on the path of becoming one of the biggest institutions of the country and soon will reach to its destination.

We welcome you in our campus with all heart and be a part of IIT Jammu family.

ABOUT THE FEST

IIT Jammu is hosting the third edition of its very own technical fest TECHNUNCTUS'21, on 17th and 18th of April 2021.

TECHNUNCTUS, as the name suggests, is the union of technologies where thousands of students will be a part of this gala and witness the spirited ambiance of IIT Jammu.

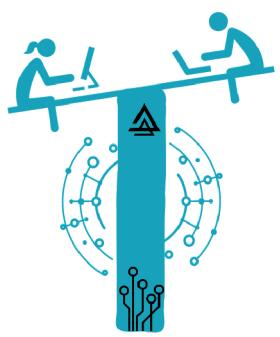

With over 10+ Technical events for 2 full days we promise an indelible fun time for all.

Crux of TECHNUNCTUS '21

- 10+ Technical events.
- Workshop on BlockChain Technology .
- Guest Talks.

Attendance

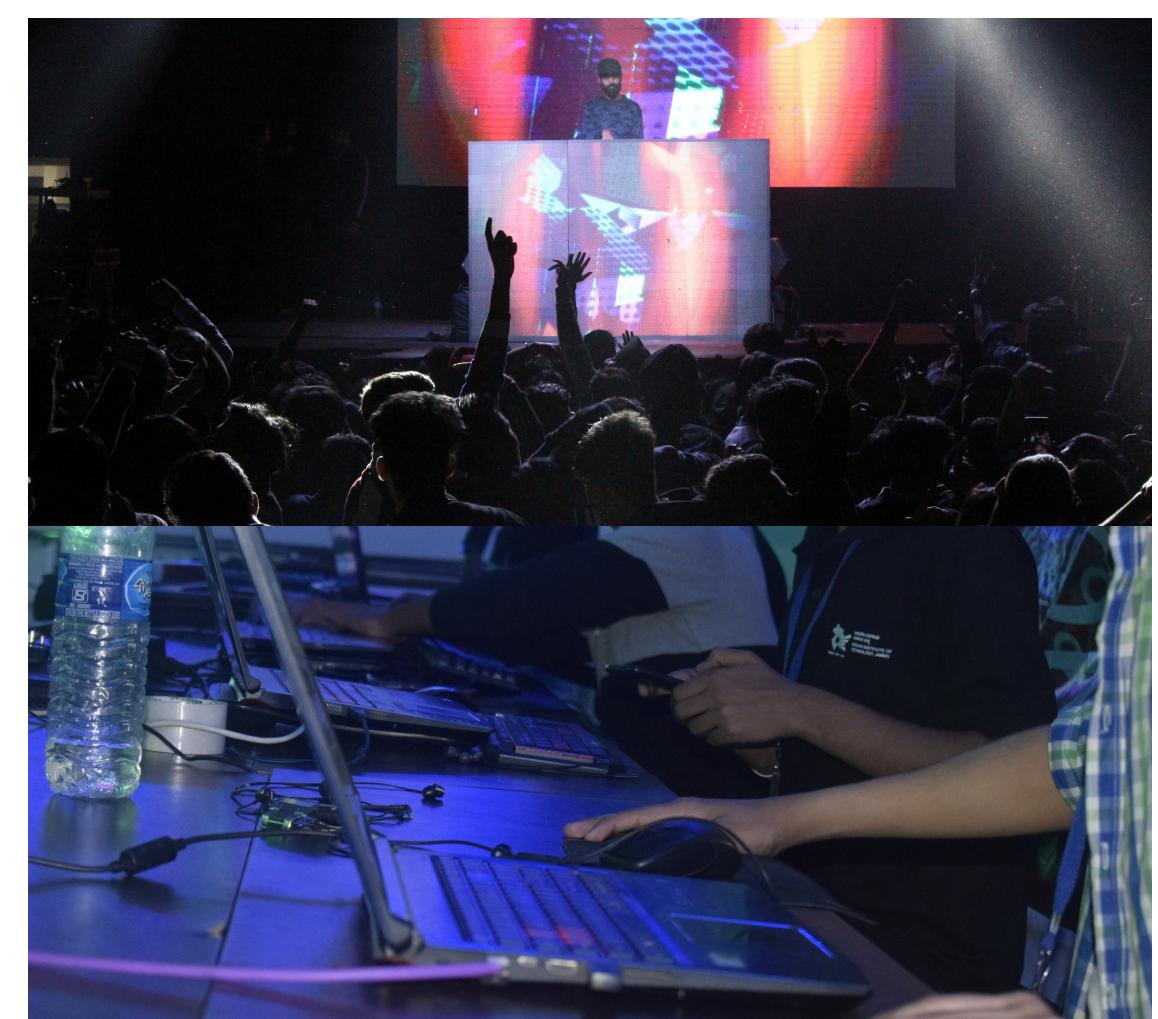

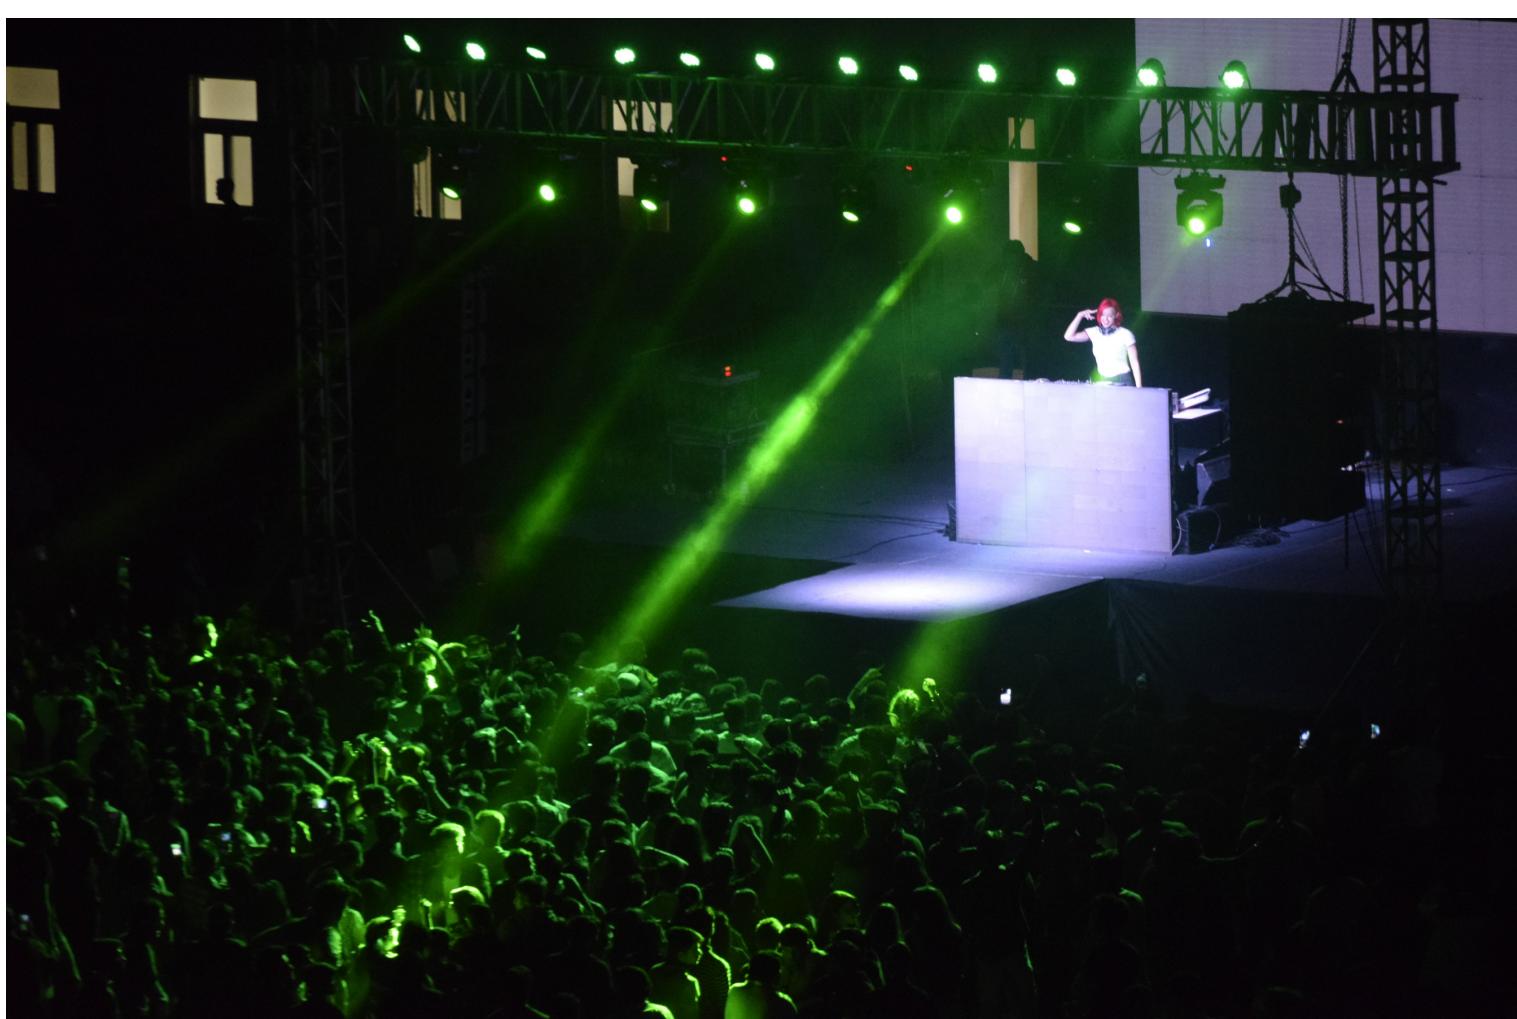

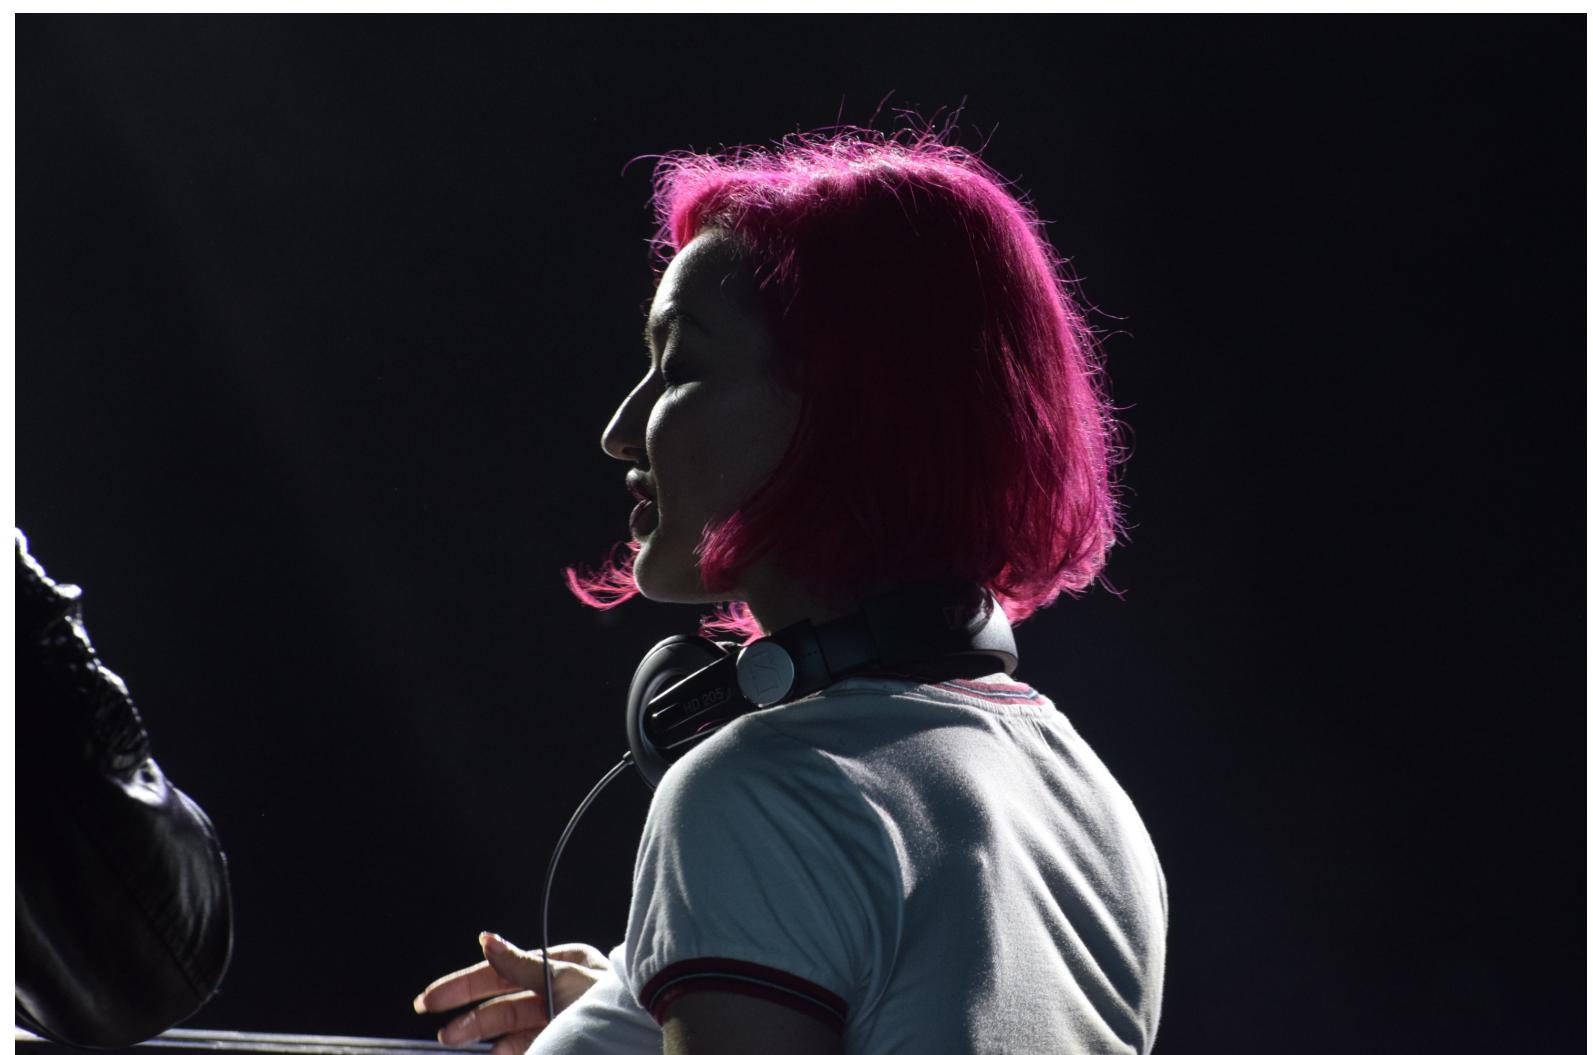

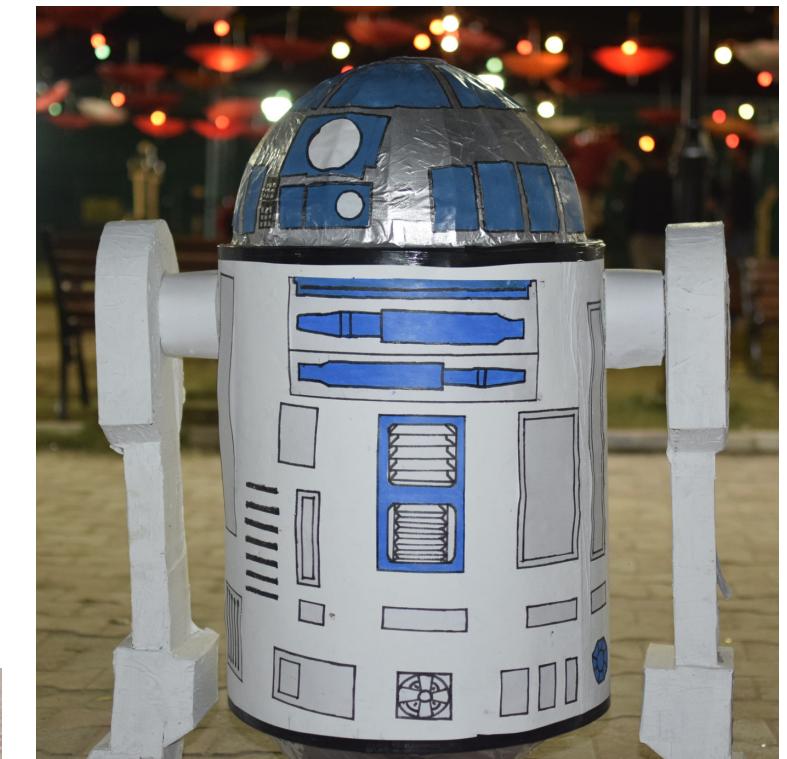

We are expecting participation from All IITs and NITs across the country and all the local reputed colleges in Jammu and also across India.

GLIMPSES OF FEST

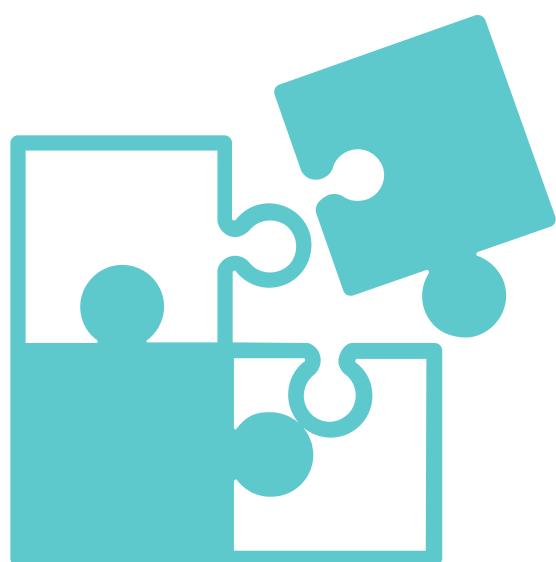

भारतीय प्रौद्योगिकी
संस्थान जम्मू
INDIAN INSTITUTE OF
TECHNOLOGY JAMMU

Event Summary

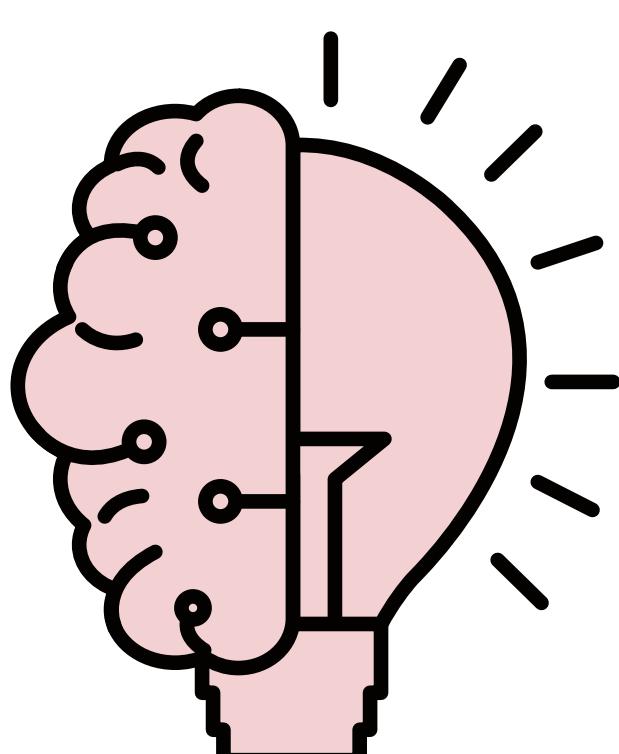

1. Technunctus Programming contest

This is a team programming contest, where participants will be given some algorithmic problems to solve within 2-3 hours. Participants can use any language of their choice to code their solutions. This event will be a single online round. Top 3 Teams will be eligible for the prizes.

2. Online puzzle game

The event aims to have fun while coding. One has to either code or find the hint to solve a technical problem. The one to complete the maximum number of levels will win the challenge

3. Beacon

This event is an opportunity for the students to explore and bring out their maximum potential in innovation and creativity in technical expertise. Participants are required to come up with interesting and innovative solutions to tackle the real life challenges faced by industries. There would be expert speeches by the speakers on industries and other engineering fields.

4. CADstar

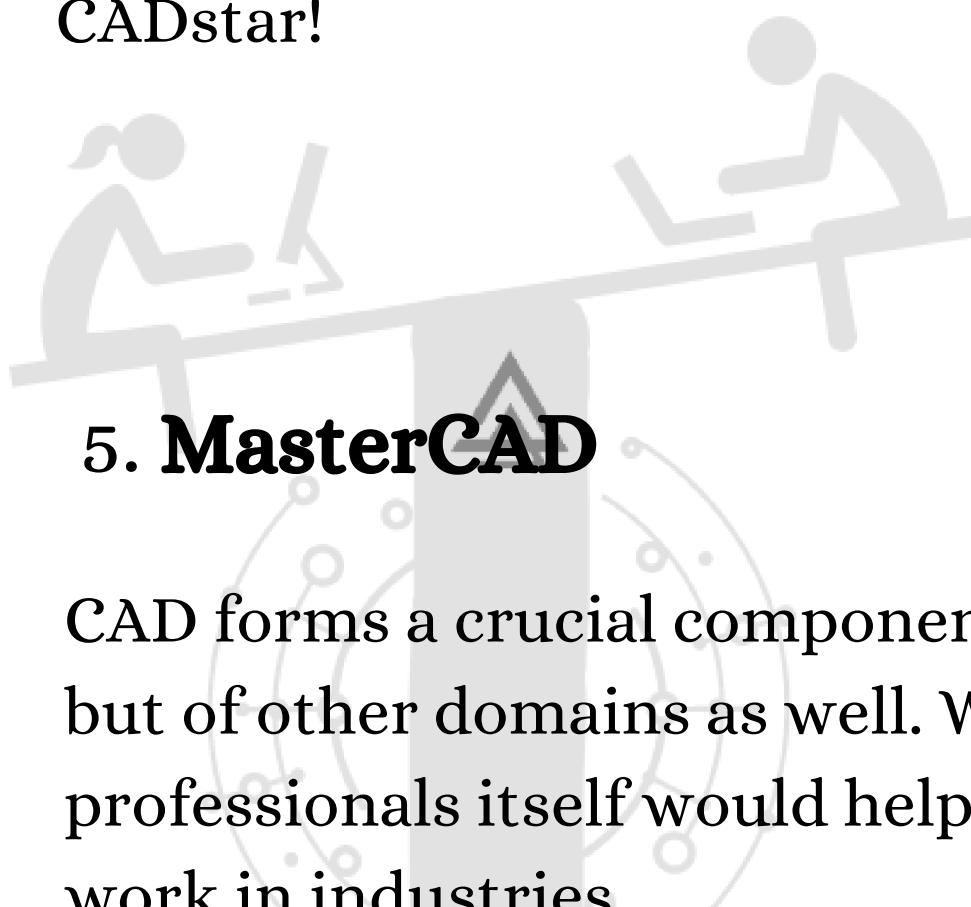

Performance, reliability and market are what drives the designs in modern engineering. You might find a lot of designs for the same thing but not all of them make it to the top.

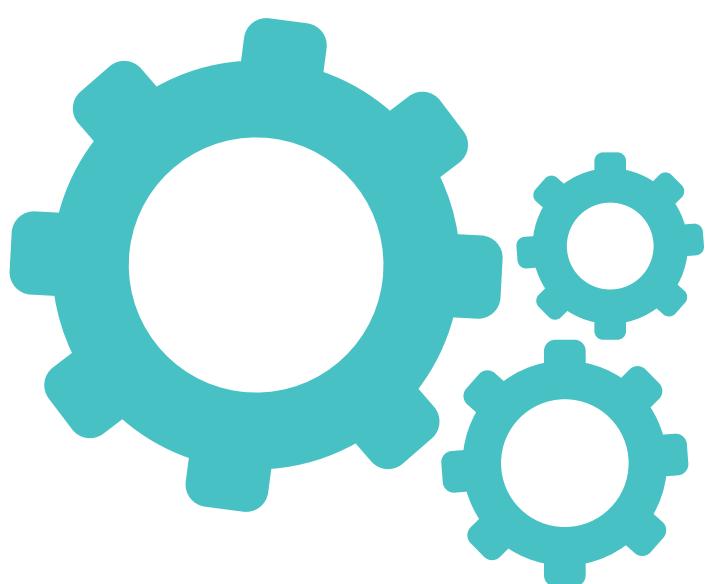

Do you have what it takes to make a perfect engineering design?

CADstar is a unique one of its kind competitions where designing, analysis and simulation skills along with innovation, reasoning and logic are put to test.

Come and put your brains to work and be the next CADstar!

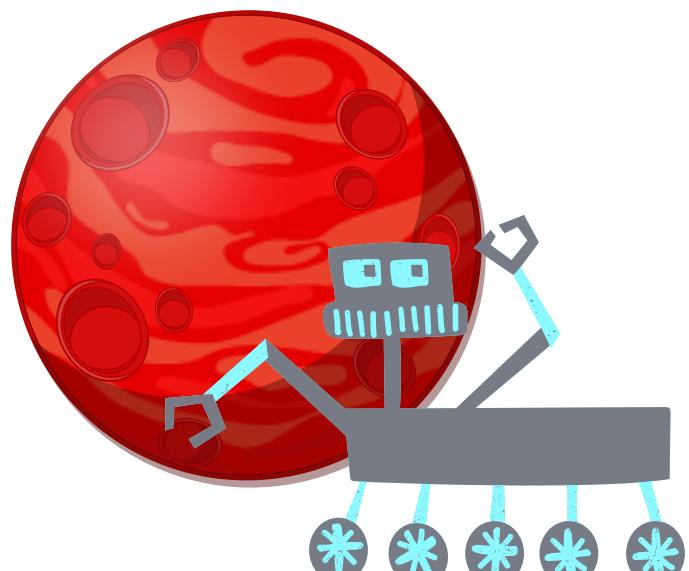

5. MasterCAD

CAD forms a crucial component of not just engineering but of other domains as well. Workshops from professionals itself would help get a feel of how things work in industries.

Extending over three days, students get armed with the best of the techniques, all ready to fight it out in the world with an armoury of ideas and knowledge of CAD - a weapon to reckon with!

6. Guest Talk

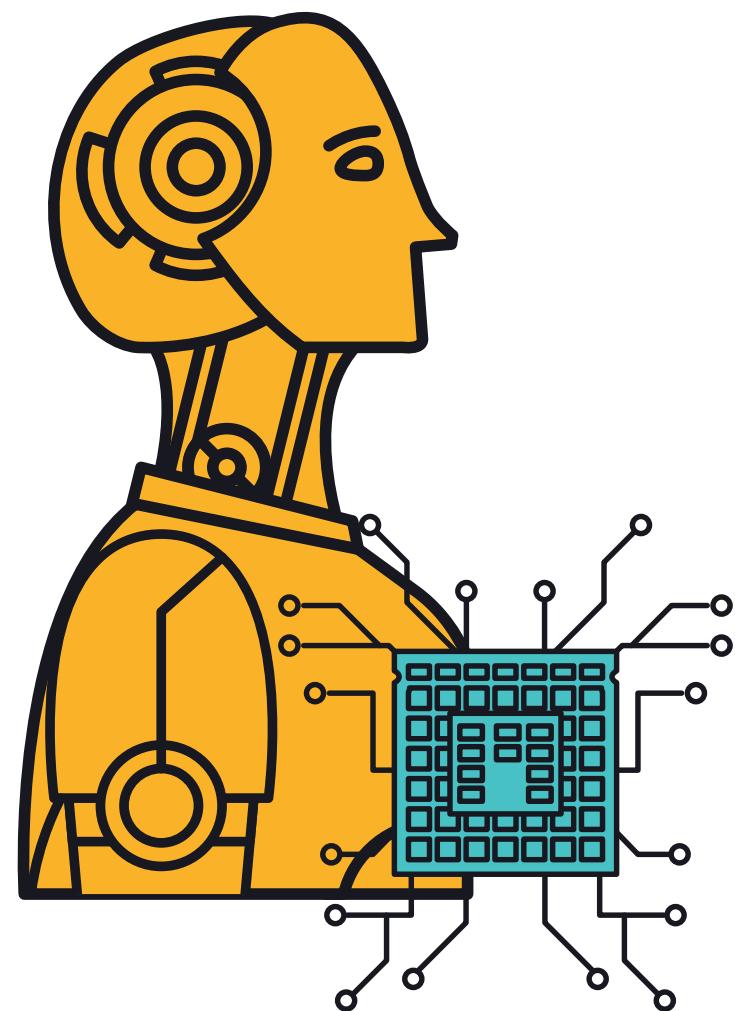

Get ready to know the technicalities of the Perseverance rover sent by NASA recently to seek signs of ancient life and collect samples of rock from Mars. Guest Nachit Chahat who is a member of team Mars Rover will be throwing light on this buzzing topic.

SPONSORSHIP DETAILS

Who are we?

Established in 2016, The prestigious institute of IIT - Jammu has rightfully earned the title of the 'fastest prospering' amongst the budding IITs. With its unparalleled vigour and a thirst to prove its mettle, the institute has swiftly risen up the ranks to lead its fellow tertiary kin. Unbounded by constraints of any pre-established agendum whilst nurturing the pioneers of the near future, Indian Institute of Technology Jammu commands complete freedom of moulding and reshaping its own fate, a belief that the establishment is a staunch supporter of. With this idea in our hearts and the will in our minds, we inch consistently towards being the most reputed college in the country. Thriving for excellence and quality, IIT-Jammu prides in aiding the development of the brightest minds of the nation whilst upholding its values of trust, integrity and growth.

Why us?

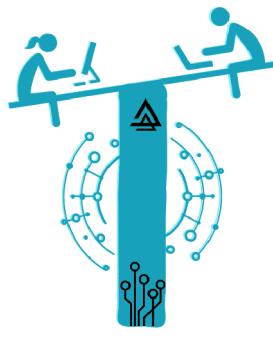

The reputation and publicity of both your company and our institute will be surely benefited with our mutual support. On account of the growing success of IITs many organizations have considered their contribution to be extremely valuable marketing opportunity. As your company has already carved a niche for itself, we invite you to make our event even grander by agreeing to associate with us.

भारतीय प्रौद्योगिकी
संस्थान जम्मू
INDIAN INSTITUTE OF
TECHNOLOGY JAMMU

IIT Jammu organized its maiden Technical fest in 2019 which was a huge success. The previous edition saw a footfall of over 1500 students from Jammu and nearby states, making it the largest Technical Festival in the state thus setting the benchmark higher for the third edition in 2021. With a word of approval, we can develop an amicable relationship and have a mammoth fest at IIT Jammu continuing the legacy we started.

- Remarkable perceptibility in all the events of Technunctus among more than 3000 from about 50 different colleges.
- Our college is in construction under various phases. So, our college can be a potential market for your future endeavours.
- You will have a good platform (crowd consisting of students, faculty and professionals) to acknowledge colleges about your company and its products.
- We will promote your company on various social platforms.
- Corporate recognition on event audio/visual screen.
